CHARITY REGATTA – FRIDAY 16 OCTOBER 2009

INVITATION TO CORPORATE PARTICIPANTS

Last year various key players from the industry came together to take part in a great day of sailing and entertainment and played a big role in raising over \$70,000 for charity.

In 2009 we are aiming for 50 competing yachts to raise even more much needed funding for a range of Australian-based children's and medical research charities.

Some of the 27 charities we supported this year included Shepherd Centre, Eye Foundation, Barnardos, Schizophrenia Research Institute Lifestart and Autism Spectrum

Once again the event will be staged from Middle Harbour Yacht Club and this will be the venue for the after-party and prize presentation. Again there will be a magnificent spectator boat provided for team supporters and sponsors to join in the fun and cheer on their race teams.

Tickets for the spectator boat will include a delicious lunch and all beverages.

HOW DO I FIND A YACHT?

We have acquired an extensive fleet of yachts that have been made available for the day. The fleet includes a variety of different size and style yachts to suit any budget or requirements.

You can indicate on the following form if you wish us to charter a yacht for you.

Alternatively you are welcome to source your own yacht as long as it is insured and safety inspected as per legal requirements and standards.
